in both National and International markets.

Our mission is to consistently  
deliver superior agricultural  
products to the international market, meeting and exceeding  
the diverse needs of our customers

# Essential Oils

Essential Oils – Highly useful for skin and remedies. The same is extracted from steam distillation of plant parts. These are concentrated hydrophobic liquid containing volatile aroma compounds from plants. Sometimes we say them volatile oils, ethereal oils or aetherolea or simple oils from plant.

it should be considered as Essential oils and if we say Absolutes, it should be considered as Solvent Extracted oils.

## Our Essential Oils are :

- 100% pure and natural pesticides free
- We provide GCMS report and COA along with the products
- We have bulk packing options of 1 kg, 5 kg, 10 kg, 25 kg and 180 kg
